ODOhybrid Application

The ODOhybrid application will be compatible with the ODO10 device in the coming weeks.

ODOTRACK ON THE ROAD!

Lately, ODOTRACK has started organizing conferences and information sessions and participating in exhibitions, congresses and other events in several cities around Quebec. Some of the topics covered include: motor vehicle taxation, maximizing your travel management, and discovering the ODOTRACK solution and its many advantages, etc.

If you would be interested in attending this type of events in your area and would like to suggest a topic, please contact us at 514 388-7734 ext. 410 or at 1 877 388-0810 ext. 410 or by [email](#).

REMINDER

Download the ODOhybrid app now!

For Android users, the latest 1.2 version is now available to download. With this version, you now have the possibility to access your trips and to change and add expenses. Download it now at the Google Play Store.

For iPhone users, the new options will be available in the coming weeks at the next update.

TECHNICAL SUPPORT ADVICE

Use the accessories supplied with your devices

More than 25% of devices that need to be replaced because of malfunction or breakage are returned with accessories different from those supplied on the acquisition. Using the ODOTRACK accessories prevents damaging your device and your vehicle's battery.
