On September 14, ODOTRACK will offer a brand new interface that's more modern, faster and more user-friendly.

This new **clear and simple** navigation interface allows you to access your account information, your orders and invoices and much more.

ODOhybrid Application

You can now download it for iPhone and Apple Watch.

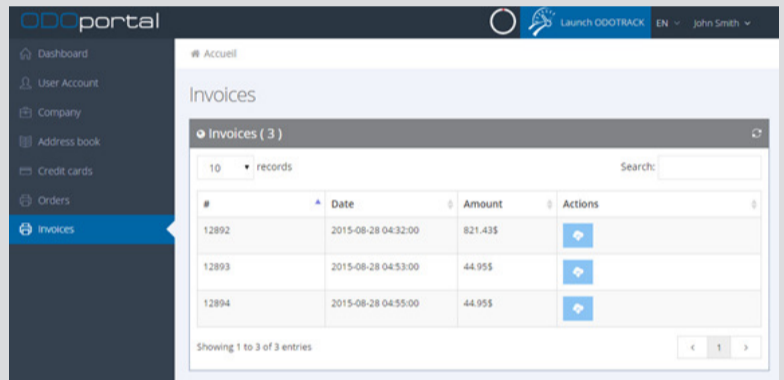

REMINDERS

Contract Renewal

Your renewal is due or will expire soon? Contact us to learn about the available options we can offer you.

Availability of invoices in the new portal

Invoices are available under the "Invoices" tab. During the month of September, you can choose to disable the "I do not wish to receive electronic invoices" option.

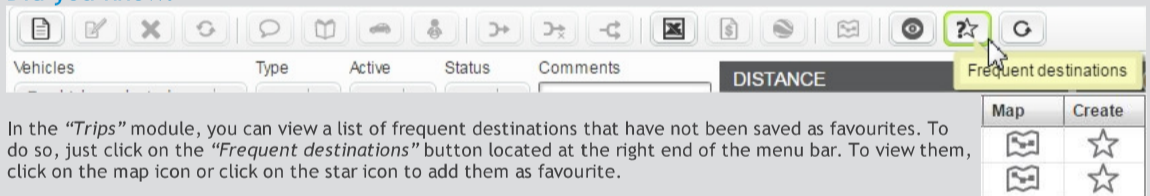

#	Date	Amount	Actions
12892	2015-08-28 04:32:00	821.435	[Action]
12893	2015-08-28 04:53:00	44.955	[Action]
12894	2015-08-28 04:55:00	44.955	[Action]

TIPS AND TRICKS

Did you know?

In the "Trips" module, you can view a list of frequent destinations that have not been saved as favourites. To do so, just click on the "Frequent destinations" button located at the right end of the menu bar. To view them, click on the map icon or click on the star icon to add them as favourite.

TECHNICAL SUPPORT ADVICE

Short duration trips

If you make short trips (25 kilometers or less per trip), this may not be sufficient to properly charge your ODO10 unit unless you have a continuous charge in your vehicle. To check if you have a continuous charge, your vehicle must be in stop mode without the key in the ignition. You should see the battery charge light flashes on the ODO10 screen. If not, we recommend that you connect your ODO10 directly into the OBD-II socket to ensure complete charge of your device at any time. For more information or to order the OBD-II adapter, please contact your sales representative or the after-sales service at 1 877 388-0810.

Questions ?

Please do not hesitate to contact our customer service by [email](#), by phone at 514 388-7734 or on our toll free line at 1877 388-0810.
